ADVERTISING INTRODUCTION

As a member of the Advisory Board of the CCSO Association, let me tell you a little about our project. In April 2009, several retired members of the Collier County Sheriff's Office decided that many active duty agency members, retirees and those that left in good standing lost contact with their fellow members and become totally out-of-touch in regards to CCSO and other law enforcement activities, such as retirements and promotions, changes in retiree benefits, changes in agency personnel and so much more. There was no mechanism for the agency to share information to retirees as needed.

To fix that, the "CCSO Association" was born. Our goal has been to maintain the association as an independent entity, so that members would have ownership and feel comfortable using the on-line services, discussion boards and blogs. As the project developed and quickly grew into a major communications sharing hub for the agency and retirees, we discovered that this Association was something that could and should be replicated in other law enforcement agencies throughout Florida.

With your advertising sponsorship we are sure to continue the CCSO Association as it becomes the preeminent law enforcement agency alumni and active duty member association in the state; while maintaining our commitment to provide this service FREE to our projected 500 – 1000 members.

Each year we solicit sponsorship advertising to cover our operating expenses.

In appreciation for your sponsorship we will provide web space and links for advertising your business, services or website. Sponsorships are not tax deductible as *we are not an IRS designated tax exempt organization*; but we feel direct targeted advertising to local law enforcement personnel has great added value to your business.

Sponsorship levels are as follows: **Corporate:** \$1,500, **Platinum:** \$500, **Gold:** \$250 and **Silver:** \$150 per year and we also offer a **Special Event posting** at \$50 per event (explained below). Direct advertising and underwriting of printed promotional material is also available, whereby your company name and logo may be included in our artwork as a sponsor. This would include postcards, fliers and other promotional material, as approved and agreed upon for each item. Additional in-kind sponsorships are also routinely accepted as we create door-prizes for meetings and events.

CHECKS: Sponsorship Checks shall be made out to "CCSO ASSOCIATION".

GUARANTEE: We want you to feel completely comfortable sponsoring this endeavor. A full refund, requested in writing, is permitted within 15 days if you are dissatisfied with our services.
